The Kootenai County Sheriff's Office reports that the Drivers' License office at 451 Government Way will be closed at 12:00 noon, on Thursday, May 19 and not planning to open until 7:30 a.m. on Tuesday, May 24. The closure will be done to facilitate remodeling within the office to facilitate the new state-wide driver's license process that will begin in June.

Other counties surrounding Kootenai County will be providing Driver's License services during this closure.
