

TRAINING ANNOUNCEMENT

Tactical Mission Planning and Briefing

To be determined

Coeur D'Alene

Co-Hosted By Kootenai County Sheriff's Office

Course Overview

This course is designed to expose police personnel (supervisors, tactical and task force team leaders, detectives, etc.) to procedures used for tactical mission planning and briefing of involved personnel. Topics include mission planning; documentation; operational planning for high-risk search warrants; scouting procedures for mission planning; primary, alternate, contingency, and emergency planning; suggestions on how to modify high-risk search warrant planning to other types of tactical missions (open area operations, barricaded subjects, arrest warrant/fugitive apprehension, and hostage barricade situations); and much more. The primary goal of this course is to allow the student to conduct multiple briefings during class to obtain experience and streamline the briefing process. Ensuring that a comprehensive but efficient briefing system is in place will be a course outcome.

TACTICAL MISSION PLANNING AND BRIEFING COURSE OVERVIEW AND INSTRUCTIONAL GOALS

COURSE LENGTH: 16 Hours (2 Days)

COURSE OVERVIEW

This course is designed to expose police personnel (supervisors, tactical and task force team leaders, detectives, etc.) to procedures used for tactical mission planning and briefing of involved personnel. Topics include mission planning; documentation; operational planning for high-risk search warrants; scouting procedures for mission planning; primary, alternate, contingency, and emergency planning; suggestions on how to modify high-risk search warrant planning to other types of tactical missions (open area operations, barricaded subjects, arrest warrant/fugitive apprehension, and hostage barricade situations); and much more. The primary goal of this course is to allow the student to conduct multiple briefings during class to obtain experience and streamline the briefing process. Ensuring that a comprehensive but efficient briefing system is in place will be a course outcome.

INSTRUCTIONAL GOALS

Upon completion of this course the attendee will be familiar with:

1. Mission Planning Documentation
2. High Risk Warrant Service Planning and Briefing
3. Barricaded Subject Operations Planning and Briefing
4. Hostage Rescue Operations Planning and Briefing
5. Examples of Mission Briefings
6. Scouting Procedures and Additional Resource Utilization
7. Primary, Alternate, Contingency and Emergency Planning

This course is not a scouting course, we will make assumptions that the scout has been completed and has provided you the information needed to develop a tactical plan. This course is not a tactics course. We will dictate various tactics to use on some missions to demonstrate the flexibility of the briefing process.
